

Crustaceans

American Lobster

The legal possession size of whole lobsters, measured from the rear of the eye socket along a line parallel to the center line of the body shell to the rear of the body shell, shall be not less than 3 3/8 inches nor greater than 5 1/4 inches. Lobster parts may not be possessed at sea or landed.

The possession limit is six lobsters per person. No person shall possess any lobster with eggs attached or from which eggs have been removed or any female lobster with a v-notched tail, as illustrated above.

The use of spears, gigs, gaffs or other penetrating devices as a method of capture for lobsters is prohibited. A recreational lobster pot permit and fish pot license is required to use pots or traps to capture lobsters. For details call (609) 748-2020.

Lobsters taken recreationally may not be sold or offered for sale.

Crabs

1. Crabs may be taken recreationally with hand lines, manually operated collapsible traps or scoop nets without a license. A non-commercial crab pot license is required for the use of not more than two non-collapsible Chesapeake-style crab pots (see illustration on page 19) or two trot lines to harvest crabs. See page 19 for the non-commercial crab pot license information.

2. It is illegal to harvest or possess more than one bushel of crabs per day per person or offer for sale any crabs without having in your possession a valid commercial crabbing license.

3. Minimum size for crabs that may be harvested (measured from point to point of shell) are as follows:

- a) Peeler or shedder crab: 3 inches
- b) Soft crab: 3 1/2 inches
- c) Hard crab: 4 1/2 inches (possession)

4. All female crabs with eggs attached and all undersized crabs shall be returned to the water immediately.

5. Recreational trot lines shall not exceed 150 feet in length with a maximum of 25 baits.

6. All pots and trot lines shall be marked with the identification number of the owner.

7. All crab pots must be tended at least once every 72 hours.

8. No floating line may be used on any crab pot or crab pot buoy.

9. No crab pot shall be placed in any area that would obstruct or impede navigation or in any creek less than 50 feet wide.

10. Only the owner, his agent or a law enforcement officer may raise or remove contents of a legally set fishing device.

11. Crabs taken with a bait seine may be retained for personal use only if the fisherman possesses a bait net license, and may not be bartered or sold unless the fisherman possesses a commercial crab license.

12. No crabs may be harvested from the Newark Bay Complex. For more information, see *Health Advisory* on page 22.

13. Crab Pot/Trot Line seasons:

Delaware Bay and tributaries: April 6–Dec. 4

All other waters: March 15–Nov. 30

The following waters are closed to the use of crab pots and trot lines:
Cumberland Co.: Cohansy River and creeks named Back, Cedar, Nantuxent, Fortescue, Oranoken and Dividing; Cape May Co.: West and

Bidwell Creeks and the Cape May Canal; Atlantic Co.: Hammock Cove (Dry Bay); Ocean Co.: on east shore of Barnegat Bay, that area of Sedge Islands Wildlife Management Area enclosed by a line drawn from the northern bank of Fishing Creek on Island Beach State Park to the northern tip of the Sedge Islands (Hensler Island), then south from point to point along the western side of the Sedge Islands WMA and terminating on the most southwestern point of Island Beach State Park.

14. Fish and Wildlife will issue a non-commercial crab dredge license for the harvest of not more than one bushel of crabs per day during the crab dredge season. Crabs so taken may not be sold or offered for barter. There is a fee of \$15 for this non-commercial crab dredge license. See page 19 for details on purchasing a non-commercial crab dredge license.

Notice: All non-collapsible Chesapeake-style crab pots (see illustration on page 19) must be constructed to include a biodegradable panel designed to create an opening to allow crabs and other organisms to escape if the pot is lost or abandoned. All non-collapsible Chesapeake-style crab pots set in any manmade lagoon or any water body less than 150 feet wide must also include a turtle excluder device inside all pot entrance funnels.

Horseshoe Crabs

The harvest of horseshoe crabs is prohibited. Possession of horseshoe crabs is also prohibited except for those individuals holding a scientific collecting permit for research and education and those fishermen that can provide suitable documentation that the horseshoe crabs in their possession were harvested outside the State of New Jersey.

Mollusks

1. All persons must be licensed to harvest any shellfish. See page 19. Shellfish means any species of benthic mollusks (except conch) including hard and soft clams, oysters, surf clams, bay scallops and mussels.

2. It is illegal to harvest shellfish from condemned waters, even for bait purposes. It is also illegal to harvest shellfish including surf clams from beaches adjacent to water classified as condemned. Shellfish water classification charts are available from license agents or any state shellfish office. See page 19 for shellfish license information. Charts are updated annually.

3. Shellfish harvesting is prohibited before sunrise, after sunset and on Sunday, except in the seasonally-approved areas of the Navesink and Shrewsbury rivers.

4. Harvesting shellfish on public grounds is restricted to the use of hand implements.

5. It is illegal to harvest shellfish from leased grounds. These grounds are delineated by stakes or buoys set by the lease holder. Charts of the leases may be examined at Fish and Wildlife's Nacote Creek or Delaware Bay shellfish offices during regular business hours. Invasion onto leased grounds is punishable by penalties up to \$3,000 and loss of all equipment.

Recreational Shellfish License

1. No holder of any recreational shellfish license may take more than a total of 150 shellfish (in aggregate) per day. See page 19.

2. A non-resident recreational shellfish license is valid only during the months of June, July, August and September.

3. Anyone engaged in any shellfish harvesting activity with someone holding a commercial shellfish license must also possess their own commercial shellfish license.

4. It is illegal to dredge shellfish. Hand implements are the only legal harvest methods. >
