April 11, 2012

Dear Rod,

It is with much gratitude that we acknowledge the gift of \$1,950 from NJ Saltwaterfisherman.com to the New Jersey chapter of the Recreational Fishing Alliance at the Annual Banquet held at the Captain's Inn. Thank you for including us in your fundraising efforts. The ongoing generosity of your community continues to be simply astounding. The food, company and prizes were all outstanding. Please extend a word of gratitude to everyone from your organization, as well as to the donors of the prizes and all those whom attended.

Your donation will be used towards RFA's efforts to preserve the fishing rights of NJ's anglers. This includes working towards scientific research as well as supporting lobbying efforts for legislation that support the RFA mission statement.

Banding together for the common cause fishing future can only make us stronger, and we are very grateful for the support of you and your members as we continue to pursue the many important initiatives to benefit New Jersey's saltwater anglers.

Again, thank you for your support.

Regards,

Capt. Adam Nowalsky, Chairman  
RFA-NJ
