BOATING SAFETY COURSE
Per NJ law - Required for all boaters & PWC operators!

This 8 hour course provides the "must know" on boating and PWC topics such as:

- Things to know before leaving the dock
- Basic navigation
- Required equipment
- Trailering
- Legal requirements – Federal and State
- Boating emergencies

Our courses meet NJ State requirements to earn your Boating Safety Certificate. Upon successfully completing the course the US Coast Guard Auxiliary will process the required NJ State Police paperwork on your behalf. A temporary certificate is awarded at the completion of the course.
